Dear Sir:

On November 10, 2008, a telephonic interview was conducted in which Examiner Peling Andy Shaw participated for the Patent and Trademark Office, and Jon Roberts participated for Applicant. The potential for filing a Supplemental Amendment After Final Rejection was discussed. The examiner advised Applicant's counsel that, rather than file a Supplemental Amendment at this time, Applicant should file a notice of appeal and file an amendment after the Notice of Appeal was filed. The Examiner noted that he would not be inclined to enter such amendment if it were filed. Applicant was not able to find a rule addressing this procedure and thus is filing the attached Supplemental Amendment which appears to be permitted by the rules.

Respectfully Submitted,

Jon L. Roberts, Ph.D., J.D.
